Geneva, 8 March 2024

Secretary General

Mariatou YAP

The International Civil Defence Organization (ICDO) is an intergovernmental organization whose objective is to contribute to the development by States of structures ensuring the protection and assistance of populations and safe-guarding property and the environment in the face of natural and man-made disasters.

Art.2. The functions of the Organization shall be:

- (f) to establish and maintain such technical services as may be required, including documentation, study, research, equipment and other Centres;
- (i) to gather and provide information on the modern equipment and material to be used for operations in case of hazards such as listed under;
- (k) to study and to contribute to the exchange of knowledge and experience on appropriate preventive measures against damage through disasters...
